

JITZ ZÜRICH

JUNGIAN INTERNATIONAL TRAINING
ZÜRICH FOUNDATION

Dear Friend,

The Jungian International Training Zurich Foundation (JITZ) continues to provide ways for you to engage with and assist financially the International School of Analytical Psychology Zurich (ISAPZurich).

As you know, ISAPZurich offers a unique and world-renowned fulltime Jungian training that draws candidates and auditors from over twenty countries to Switzerland. The immersion aspect of ISAP training offers profound life-changing experiences in the context of studying analytical psychology in all its Swiss particularities and its archetypal reach, to explore Jung's legacy at its source while also fathoming the depths and breadth of an individual's soul.

ISAPZurich needs financial support in order to continue to offer its full-time training, its auditor certification program, its annual Jungian Odyssey and its Zurich Lecture Series. The function of JITZ is to provide financial assistance to underwrite the cost of many of these programs. In addition, JITZ directly assists candidates with interest-free loans over the course of their four-to-six-year training. It also subsidizes the Counseling Center that offers low-fee psychotherapeutic services to the Zurich community.

Because JITZ is a US 501(c)(3) nonprofit corporation, contributions made by US citizens and residents, as well as foreign nationals, (from US generated income only) are tax-deductible.

To make a 2019 tax-deductible donation, send your check to JITZ, c/o 165 Maple Hill Road, Glencoe, IL 60022-1252, USA. For international wire transfers, use the following bank information: Capitol One Bank, International Swift Code: HIBKUS44; Routing number: 111901014; Account number: 3027050963.

For online donations by Paypal, click [here](#).

Once again this year, the Oswald Foundation has stepped forward to offer a

\$12,000 matching grant to benefit ISAPZurich. All donations up to that threshold and received by December 31 2019 will be doubled!

Finally, we will contact you soon with news about an upcoming 2020 Civilization in Transition conference. In the meantime, please keep in touch by checking our JITZ site www.jitzurich.org and writing to us by email at info@jitzurich.org.

With warm regards,

Craig E Stephenson
